# Astor Bannerman Group installations only Important

We confirm that fittings are as described in this Pre-installation document document and:

There are obstructions in the area in which the bath is to be installed.

Floors are flat and level and a 230 Volt mains power supply (not temporary supply), hot and cold water supplies and waste pipe will be connected and operational BEFORE the engineer visits.

By Signing this form you are confirming to the Astor Bannerman group:

That the site has been prepared in accordance with the specifications detailed in this document and that the site is ready for us to proceed with the installation.

You also confirm that you understand and agree that if we are unable to carry out the installation after we have arrived on site any waiting time will be charged at a rate of £80 per hour, and an additional installation charge will apply for any revisit and you agree to pay that charge.
